PROFILE

"A dedicated and motivated individual with a strong interest in applying my skills in Python, Java, Cloud Computing and code review &debugging, and building high-quality applications using Agile and SDLC practices. Committed to continuous learning, growth, and contributing to impactful projects in the tech industry."

TECHNICAL SKILLS

- Programming Languages (Basics): Python, Java : Oops Concepts
- Frontend (Basics): HTML CSS, Debugging, Code Review: Agile & SDLC Project life cycle
- Cloud &Tools: VS Code, GitHub, Postman, AWS: S3, Lambda, API Gateway, IAM, CloudFront

SOFT SKILLS

- Teamwork
- Good Communication
- Time Management
- Adaptability for new Technology

EDUCATION

- Master of Computer Applications (MCA)
  Parivarthana Business School -2025
  Cgpa: 7.08

- Bachelor of Science (B.Sc.)
  Govt. First Grade College -2023
  Cgpa: 6.96

PROJECTS

Academic Project

Project Title: Image–Video Based Deep Fake Detection for Social Media Security

- Built a CNN–RNN (LSTM) based deep learning model to detect manipulated images and videos.
- Trained on GAN-generated datasets with feature extraction across frames for accurate classification.
- Developed a Flask-based web app for real-time deepfake detection and user-friendly media upload.
- Achieved 88% accuracy, improving reliability of social media content verification.

Mini Projects

- My Click Photography Webpage
- Portfolio Webpage
- Tourist Guide Webpage
- Greenlife Farm Small E-commerce React-Application
- Task Management Application-using Angular

CERTIFICATION

- Certification Course In Programming using Java, Infosys Springboard ,2025
- AWS Certified Developer - Associate Certification, Infosys Springboard 2025
- Certification Course In Cloud Computing, Swayam/Nptel 2025
- Certification Course In Software Manual Testing, Udemy 2024

INTERNSHIP / WORKSHOP

- Completed A 1-Month Web Development Internship At Codveda In 2025.
- Participated in the Career Compass 2025 workshop on "Empowering Careers with ZOHO Tools & Skills", organized by Tekvocation, Mysuru (July 2025).

HOBBIES & LANGUAGES

- Music
- Cricket
- Travelling   Languages :
- English
- Kannada
